

Dr guwa - is really a great
pleasure for me to write to
you i want to say Thank you
so much for everything you
have done for me i really
appreciate what you have done
for me and my mum i
came from a poor family
but my mum is always
there for me the sickness
i have is killing many
people in gambia but mine
is okay because i feel okay
i wish i have help to
educate myself to become a
doctor in the future Thank
you so much Dr guwa
with your foundation
